The Waterfront Trail goes from the Cottage Row area to downtown Houghton.

To use the trails at Michigan Tech's Recreational Forest & Nordic Ski Trails, you must be an MTU student or have a daily/annual pass. The funds from the passes help maintain the trail system.

The wide-shoulder bike route to Chassell and Baraga uses the paved road shoulder of US-41. Obey traffic laws and stay alert when riding next to the road. For the entire Houghton to Baraga map, please see the Houghton-Baraga Bike Route section of the Eye on Michigan web site.
