Roads and paved trail within the state park are used for biking. There is a bike lane along M-116 in the state park.

You can not drive to the Lighthouse, only biking or hiking will get you there.

Beach House has restrooms and changing rooms for swimmers.

Lighthouse tours are available from May through October. The walk from the Beach House to the Lighthouse along the Lake Michigan beach is 1.5 miles one way. The trail from the Pines Campground to the lighthouse is 1.5 miles one way.

You will need to pay a fee to enter the state park when you get to the booth.

Cars often park along the side of the road (M-116) to access Lake Michigan.
